SKY RANCH LUTHERAN CAMP

2017 ANNUAL REPORT

BUILDING FOR THE FUTURE—A GIFT & A PLEDGE

Sky Ranch has seen tremendous growth in the number of campers over the past 7 years. Summer campers have increased over 300% since 2010. To accommodate this growth, we are slowly upgrading our facilities. Sky Ranch was able to celebrate a milestone in the life of its ministry in 2015 with the completion of the new shower house. But congestion and overcrowding are pressing challenges as we continue to attract more campers and retreat groups to the ministry of Sky Ranch.

This year Sky Ranch has received an incredible gift and a remarkable pledge!

Sky Ranch received \$300,000 towards the construction of a new summer staff and retreat facility from an anonymous donor. As plans progressed, the donor gifted an additional \$130,000 towards this project: a total of \$430,000. We also received a pledge from longtime supporter and past board president,

Kent Garvin. He has promised to build a 3,000 square foot maintenance structure. These wonderful gifts present us with an incredible opportunity to move our ministry forward, building facilities that support and enhance our growing camper and retreat ministries.

Both projects are in the design stage while we work with a contractor to finalize site preparation, utility, and infrastructure access, as well as permitting and approval. Construction will begin during the 2018 camping season and be completed during the fall retreat season.

**LEARN MORE ABOUT
THE STAFF HOUSING
BUILDING AND GARVIN'S
GARAGE ON PAGE 4!**

We are deeply grateful to our anonymous donor and to Kent Garvin for their generosity and faithfulness. We are very appreciative of their gifts and their confidence in this ministry to be an extension of the church in the Rocky Mountain Synod and beyond. Thank you!

BRAD ABBOTT—EXECUTIVE DIRECTOR

2017 was an amazing year of ministry at Sky Ranch. Because of the support and generosity of many people, Sky Ranch served over 2,100 campers and adults through our summer ministry and another 1,000 in our spring and fall retreat ministry. Strong summer camper numbers and increasing retreat participants have dictated changes in program and facilities at Sky Ranch over the past year. These changes rise from a need to better serve God's people and God's church.

During 2017, the 500th celebration of the Reformation, it was fitting that we understood the role of change in our church and the ministry of Sky Ranch. The spirit of the reformation – the freedom to practice a relevant faith – continues to guide the board and staff of as we wrestle with how to best serve a growing and changing camper population. Here are a few highlights:

Program - We welcomed new Program Directors - Hannah Anderson and Jeff Fairfax– who implemented a new 'block schedule' allowing for more small group programming. Program Coordinators for each specific age group specialized in creating age-appropriate programming.

Facility - Staff and volunteers were busy installing new water lines for Christ Lodge and the campground, heat in the lower bedrooms of Christ Lodge, and building new benches for the Backpack Center & camper cabins. We continued to tackle deferred maintenance issues around the site.

Policy - The Board is updating Sky Ranch's governing documents and policy manual to adhere to best practices in outdoor ministry. Staff has updated procedures to meet ever changing regulations and realities.

Financially - Again, our operating budget finished in the black and we continue to reduce debt. This year we received an additional \$430,000 gift from an anonymous donor for the construction of a new summer staff/retreat cabin in 2018. We also received a pledge from Kent Garvin to build a new 3,000 square foot facilities shop and storage garage at Sky Ranch in 2018!

As we adapt and change, it is vital to remember our commitment to our creed, community, people, and programs.

I am thankful for our summer staff and the ministry they do. Like the generations of staff that came before them they change young campers' lives by being authentic, and affirming. I am also thankful for Sky Ranch's full-time staff and board, who give selflessly of their time, talents, and energy throughout the year. It is a privilege to serve alongside them in ministry.

The mandate of the gospel is one of rebirth, restoration, and renewal. As we continue to minister to a changing culture, we also endeavor to honor our past. In 2018 Sky Ranch will celebrate its 55th anniversary. It is a wonderful reminder of the cloud of witnesses that make up this mountain ministry – past, present, and future.

THANK YOU TO THE 2018 SUMMER STAFF!

HANNAH ANDERSON—PROGRAM DIRECTOR

This year on our staff backpacking training trip, we took the Surprise Pond trail from Comanche Reservoir to Twin Lakes. There are two surprises that give this trail its name. First, the trail is significantly longer than it appears. It isn't well labeled on a map and you spend most of the hike in a burn area, exposed to the weather. Second, sometimes Surprise Pond dries up and there is no longer a pond. The one reprieve of water only exists sometimes, and it is hard to predict when the pond will be full.

Surprise Pond sums up camp for me. Sometimes, we experience disappointment. The Pond is empty or the food truck is late or it rains for an entire week without stopping. We experience

challenges. A camper is homesick or a new maintenance issue arises. And yet, most of the time we find ourselves surprised by the joy and abundance we experience at Sky Ranch.

This year, we were overflowing with this abundance and joy. Our Surprise Pond was filled to the brim! We had an incredible group of summer staff from around the country. They were gracious and compassionate leaders who brought creativity and energy to everything they did. We had successful Four Winds trips in Denver, Fort Morgan, Harvest Farm, and up at camp—where youth were empowered to serve others and work for justice in their own communities. Our backpackers hiked a combined 4,775 miles this summer!

The ministry we are called to do is not straightforward or simple. Instead it is filled with change, transition, and complexity. As 2018 begins, we are in a place of great opportunity. We have the resources to invest in our property and facilities in big ways. Our campers and staff are eager to return year after year. We continue to be in a place where we change and grow out of opportunity—not out of crisis.

Our ministry is full of surprise—and we want you to walk alongside us in this journey. Each individual is vital to our community: the campers, staff, volunteers, and retreat guests. Your dedication and commitment in the midst of surprise and change give continued life to this place!

JEFF FAIRFAX—PROGRAM DIRECTOR

"For you shall go out in joy, and be led back in peace; the mountains and the hills before you shall burst into song, and all the trees of the field shall clap their hands." Isaiah 55:12.

Everyone who spent a week at camp this past summer heard this verse sung by staff at closing worship. As campers journeyed down the mountain and adapted to life without the seclusion of camp we hope they remember the joy of their time at camp. Over 2,000 guests got to experience the joy of camp this past year, whether it was participating in an onsite program, traveling day camp, high wilderness backpacking, service learning program, or as a retreat group. Each of these programs allows the Holy Spirit to be present, active, and relevant for campers and adults during their time at Sky Ranch.

For camp to stay relevant and adapt to the needs of those encountering Christ on the mountaintops, change is always necessary. Change happens within our logistics and curriculum, with the needs of congregations and communities, and within our staff.

This summer we implemented notable change in our onsite schedule. We moved to a model that allows campers

and their counselors to choose activities based on their preferences. We used three two-hour blocks each day: one for bible study, one for family groups, and the last for structured free time in the recreation area. The new schedule was welcomed by adults and campers alike.

We have also experienced change through an increase in requests for intergenerational ministry opportunities in congregations. Pastor Wendy Kalan and Shepherd of the Valley in LaSalle, Colorado hosted staff from Sky Ranch to lead an overnight campout for all ages at the church. The purpose of these events are twofold: to give the congregation a Sky Ranch experience, and to bring all generations together for fun, fellowship, and faith formation. In addition to this event, we have been in conversation with several congregations about the possibility of evening, all-ages, traveling day camps. We look forward to facilitating new and creative endeavors in partnership with congregations.

One of the biggest changes we see each year is within our summer staff, the 45-50 individuals who commit to Facilitating an Encounter with Christ each summer. It is exciting to watch these passionate individuals transform

over the course of the summer. Young adults who may appear quiet and reserved in their staff interviews quickly blossom into counselors who are faithful, full of joy, and welcoming. Relationships are formed among staff and campers that are remembered for life.

In life and ministry, change is inevitable. How we as a ministry react to, employ, and invoke change is the future. We welcome change as an opportunity to help campers experience camp in a new way, assist congregations as they adapt to changing landscapes, and walk alongside our staff as they transform and build relationships.

PROPERTY UPDATE

Season after season of encountering Christ leads to changed lives, but can also lead to wear and tear on property and facilities. We have been blessed by congregations, individuals, and campers who have invested time in caring for and improving Sky Ranch's property. Here are some of the highlights:

- In the last year we've saved nearly 700 gallons of water per day through new water lines, stand pipes, and an energy-efficient dishwasher.
- The basement lodge rooms now feature heaters and new electrical infrastructure, thanks to Randy and Tracy Pfeiff of R&T Electric.
- Memorial Day Work Weekend included bench building—led by Al Hemmah, which was completed by Bethany Lutheran Church's "Be the Blessing" weekend.
- The chuckwagon picnic area has been reconfigured and revitalized to accommodate more guests. Volunteers Duane Anderson and Bob McCarthy helped install a new awning and stairs to access the loading dock at the kitchen.
- Across the site we've worked for continued fire mitigation, nature trail improvements, and a fresh coat of paint on the Nurse's cabin, with the help of our Rendezvous campers.
- The Backpack Center chimney was

refurbished and new laminate flooring in the packout area was installed by a group from Lord of the Valley Lutheran Church in Granby.

- Tom Bennett maintenance shed has a new metal roof, installed by David Fluck.
- Our fall hosts finished the new cross installation at the Outdoor Chapel.

Thank you to all the hands who work hard to keep camp up and running at its full potential! If you or a group from your congregation are interested in scheduling a work weekend of project, please call our office.

COMING SOON—STAFF HOUSING AND MAINTENANCE BUILDINGS!

Construction will begin on two major projects in 2018—read more about these buildings and the generous donors behind them on the cover page.

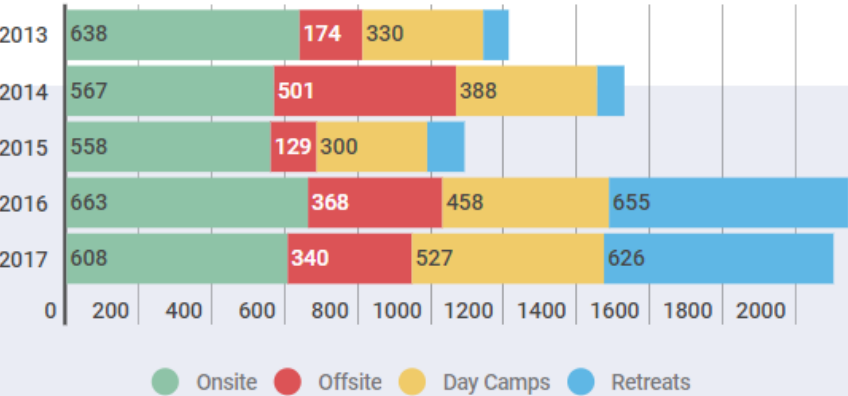

The new summer staff/seasonal retreat cabin will have 4 bedrooms with individual bathrooms housing up to 32 people, a meeting area that will accommodate 50 people, and two external bathrooms for adjacent staff cabins to use. This winterized cabin will be located on the western edge of the property, behind Tubman cabin, allowing us to house all summer staff in one area. Relocating staff will open two more cabins for camper use and a third cabin for adult sponsor use. During the non-summer months, retreat groups will be able to rent this space. The cabin will require running new water lines and building a new septic & leach field for the western side of the property.

Kent Garvin is designing plans to construct a 3000 sq. ft. pole building with metal roof and siding that includes a 435 sq. ft. addition for living quarters. The 'Garvin Garage' will include a canopy shelter over a concrete slab suitable for outdoor storage or workspace. The building will be located on the eastern edge of the property, south of the summer staff parking lot. This is the fulfillment of a lifelong dream for both Kent and Sky Ranch. The elimination of the current maintenance building will allow us space in the center of camp to eventually build a covered pavilion.

Summer Camper Numbers

Overall participation at Sky Ranch continues to grow! Our most significant growth continues to occur in retreat groups. We are generally operating at or near capacity for most weeks of camp!

Participation in 2015 dropped because of the ELCA Youth Gathering. A similar change is expected for the 2018 season as well.

Of the 948 residential program participants, 401 were Elementary or Junior High Students, 469 were High Schoolers, and 78 were adults.

● Elementary/Junior High ● High School ● Adults

Our campers & staff come from:

Arizona	Montana
California	Nebraska
Colorado	New Mexico
Florida	North Dakota
Iowa	Ohio
Illinois	South Dakota
Kansas	Texas
Michigan	Washington
Minnesota	Wisconsin
Missouri	Wyoming

BOARD PRESIDENT REPORT

Greetings! I am once again honored to have served Sky Ranch as the Chair of the Board of Directors. This is my second year in this seat, and it has been an outstanding year of milestones and growth. Let me note a few highlights:

- Hannah Anderson and Jeff Fairfax not only made it through their first full year, including a summer at camp, but they did it exceedingly well! There is a lot to learn and jump into in camp ministry, and these two handled it very well.
- The Board of Directors voted to provide our full time year-round program and administrative staff with health and dental benefits as part of their total compensation package starting January 1 2018. This is a big move in working toward our “staff sustainability and health” goals we set a couple years ago. We are very excited to be at a

place in our ministry where we can back our staff with this important benefit.

- I was honored to attend a “Best Practices” conference at Carol Joy Holling Camp and Retreat Center with Kim Kely and RC Reiman. Together we learned what it means to be more fully welcoming to the LGBTQ+ community. We also created a Gender Task Force to discuss policy and practices and had enriching conversation with our Board of Directors.
- We finished the year in the black! This is always something to be excited about.
- We received a generous donation that will allow us to move forward in the dream to build a new building for staff housing. Designs are in review and plans are being made!

- We are booked for two full busses for the trip to the ELCA Youth Gathering. As a congregation/youth leader who relies heavily on this ministry for my congregation’s transportation to the Gathering, I am both excited and thankful for the many and various ways Sky Ranch makes my job easier – and more fun!

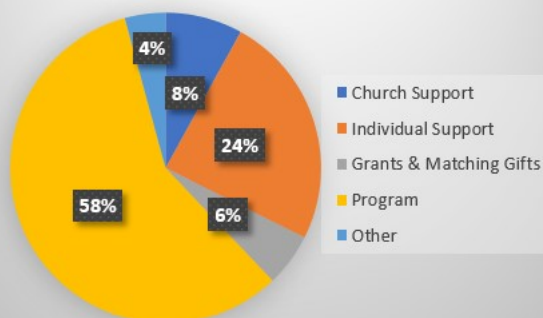

The ministry of Sky Ranch continues to be a blessing on the mountain, in congregations, and in the homes of all who are touched by the camp. I look forward to another year of moving forward and making strides to “facilitate an encounter with Christ on the mountaintops.”

In Christ,
Deaconess Kristen Baltrum

Where Our Money Comes From-2017

Where Our Money Goes-2017

Thank you to Thrivent Financial & all Thrivent members who designated \$17,553 "Thrivent Choice Dollars" to Sky Ranch in 2017!

In the past seven years Sky Ranch has received over \$232,000 Thrivent Choice dollars designated from over 430 individuals in 24 different states. Historically this is the most Thrivent Choice money received by any individual organization in the eight state region around Colorado! To all Thrivent members who directed choice dollars our way; **Thank You!** Thrivent Choice Dollars make a **HUGE** impact at Sky Ranch!

All eligible Thrivent members are allocated an amount of money called choice dollars which they can direct to the charitable organization of their choice. Benefit members are those who are currently paying premiums on life insurance, long term disability or long term care insurance products sold by Thrivent Financial.

Your contributions have allowed Sky Ranch to support children in attending camp by providing camperships and support to children and families. It has also helped us host no-cost work weekends for groups and individuals to prepare camp for its summer of ministry. We have also been able to explore new ministry opportunities, partnering with congregations and local agencies to minister to people in Northern Colorado.

If you are a Thrivent Financial member, we encourage you to continue to designate your Thrivent Choice Dollars to Sky Ranch. If you haven't designated your Thrivent choice dollars, please consider choosing Sky Ranch (Lutheran Ranches of the Rockies). Each and every gift helps this ministry in powerful ways. **Please help spread the word to other Thrivent members.** *Continued on page 7.*

2017 THRIVENT CHOICE DOLLARS

Continued from page 6.

Current Choice Dollars expire March 31st, so be sure to direct them to Sky Ranch today! If you designated Thrivent Choice dollars to Sky Ranch as a recurring donation, you must renew that designation. If you have any questions about the process call our office at 970-493-5258.

Thank you to our local Thrivent Financial Representatives and Fraternal Staff for all they do to support the ministry of Sky Ranch!

FRIENDS OF THE MOUNTAIN— GIFTS IN 2017

Camper fees (\$400 in 2017) cover only a portion of what it actually cost to go to camp. How can we do this? Two words: We Can't. Not without your help! Our **"Friends of the Mountain"** giving club helps to subsidize **every** camper to the tune of over \$145,000 each year! "Friends of the Mountain" is the organization of people who give leadership support to the Annual Fund through their gifts of \$100 or more during the course of a year. These gifts help us to keep fees within the reach of most people, give camperships to those who need them, and help us assure the financial stability of the ministry at Sky Ranch. **"Thank You" to these individuals for their support!**
